

International Call for application YOUNG PHOTOGRAPHER AWARD 2018

FINE ART Galerie & Kunstverein in Traismauer (Lower Austria) herewith announces its 4th edition of 'Young Photographers Exhibition' this November.

For this year's edition FINE ART Galerie will team up with ORTE Architekturnetzwerk Niederösterreich and AIR—ARTIST IN RESIDENCE Niederösterreich in Krems:

Topic: HUMAN IMPACT ON LANDSCAPE AND LIVING SPACES

The influence of man on his habitat forms the main issue of YOUNG PHOTOGRAPHERS 2018 and asks for the view of young photographers on the beauty or even deformation of their country or their immediate surroundings: How and where do we live, work, learn, produce, shop and spend our free time? Which places have we created for this and how do we move between them? How are villages, cities, regions, landscapes changing? Which qualities of the built and designed environment are recognizable? Which spaces do we pass on to future generations?

We are looking for progressive and innovative takes on photography. From analog to digital, still and moving, all photographic techniques and approaches are welcome. This can include works that stretch the boundaries of the assumed definitions of the photographic-based media.

The exhibition (vernissage: November, 16th 2018) will feature up to 10 juried young artists. Entrants must enter 5–7 images from a specific series or body of work that reflects the above-mentioned topic of HUMAN IMPACT ON LANDSCAPE AND LIVING SPACES.

Please include a short statement about your submitted work/series as well as a short current resume on your curriculum vitae.

Entry Deadline: July, 15th 2018, Entry Fee: none

Artists from an age of 20 to 35 are invited to participate.
