

# CALL FOR SUPPORT FOR THE MARCEL BREUER MEMORIAL BENCH

A native of Pécs and of Hungary is the internationally renowned **architect and object designer Marcel Breuer**. The Doctoral School of the Faculty of Engineering and Informatics, and a promenade with important public buildings has also been named after him since 2010. His person is still not familiar to many in his native city, and few are aware of his world-famous activities.

The South-Transdanubian Chamber of Architects placed a memorial plaque on his birthplace at Irgalmasok Street in 2023.

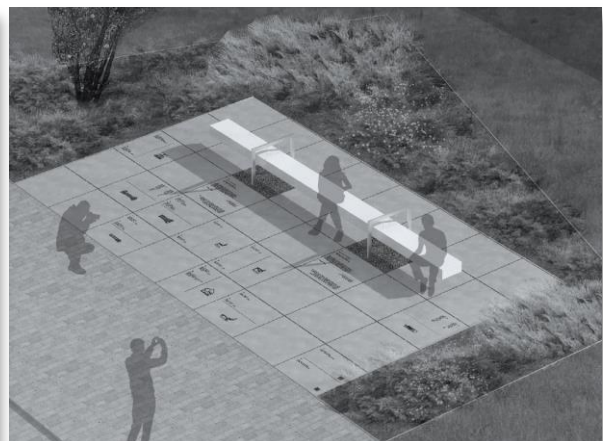

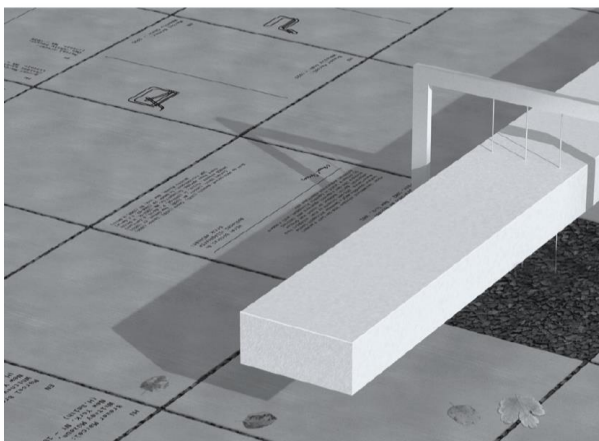

At the same time, the DDÉK considers it important that a monument providing more information about his life and work would be erected in a public area. The location - based on preliminary agreement with the City - is a green area next to the western section of the Marcel Breuer promenade. The route created during the Pécs2010 ECoC connects the Knowledge Center and the Kodály Center, two outstanding and architecturally exemplary cultural institutions of the city, with the eastern campus of the University of Pécs.

The competition announced in 2023 was won by architects **Tamás Máté** and **Áron Vass-Eysen** (BIVAK Studio) with their **memorial bench** design. The suspended reinforced concrete memorial bench is a special sight in itself, complemented by the surrounding, **legible walking surface containing illustrations**. An interesting resting place where you can unintentionally gain useful knowledge.

According to the preliminary calculation, 12-13 million HUF (32.000 Euro) is needed for the implementation, which we intend to raise through collaboration of architects and donations from private individuals. Our own efforts and a few donations are already a good start, but now we are turning to the public to support our cause.

**Support the realization of the MARCEL BREUER MEMORIAL BENCH!**

**Participate in the creation of a memorial site in the city of Pécs for the world-famous 20th century architect and designer!**

# LET'S CREATE THE MARCEL BREUER MEMORIAL BENCH TOGETHER!

The DDÉK plans to implement the Memorial Bench in 2025, preferably to inaugurate it on the occasion of the World Architecture Day in the fall.

Please indicate your intention to support to the Contact Person by specifying the amount. The Supporter must declare whether his/her name can be displayed on a public platform in the future.

If the amount of support exceeds the needs of the implementation, the Organizer may use it for the inauguration of the Memorial Bench or for the related professional event. If the implementation fails due to lack of support, the Organizer will refund the amount paid.

Name of the organizer:	<b>Dél-Dunántúli Építész Kamara</b>
Address:	H-7625 Pécs, Boszorkány út 2. C023
Tax number:	18310713-1-02
Accounting bank:	K&H Bank
